

Interpretive Snowshoe Guide Discover Sun Peaks Adventures

Job Description:

Our interpretive guides aim to foster an appreciation for the ecological and cultural history of snowshoeing whilst delivering an outstanding Sun Peaks guest experience. We do so by offering guided interpretive snowshoe tours, delivering interactive outdoor education programs, and offering self guided options with snowshoe rentals at the resort.

Job Responsibilities:

- Guide daytime and evening snowshoe tours ranging from 2-3 hours in duration, on the Sun Peaks Resort snowshoe trails and on Tod Mountain.
- Deliver an outstanding guest experience through meaningful, enthusiastic, and enjoyable interpretive tours.
- Guide educational snowshoe tours for school and university groups.
- Prepare hot apple cider and refreshments for each tour.
- Greet and answer visitors' questions and assist them as required.
- General maintenance of the Snowshoe camp and its surroundings.
- Work with our team to ensure successful snowshoe operations.
- Assist with snowshoe trail maintenance.
- Maintain snowshoe inventory.
- Promote snowshoe programs throughout the resort.

Job Requirements/Qualifications:

Interpreter and Guide:

- Previous interpretive guiding experience is preferred.
- Previous experience snowshoeing and cross-country skiing are an asset.
- Have strong leadership skills, with the ability to organize and maintain control over large groups.
- Experience leading tours with all age groups including adults, school children from grades K-12 and University students.
- Self-motivated, with the ability to work with a team as well as independently.
- Must be outgoing and enjoy meeting new people.
- Able to interact with guests, fellow staff, and resort partners sensitively, tactfully, diplomatically, and professionally at all times.
- Fluency or working knowledge of other languages is considered an asset.

- Education, training and experience in the area of guiding, education and the environment are an asset.
- Outdoor education experience is an asset.
- Must have completed the minimum of Occupational First Aid level 1 and CPR A & C certification.
- Must have accommodation at Sun Peaks and the ability to prepare all tour supplies including refreshments.
